

# Discover

Discover all that's new at INTERPHEX Puerto Rico. New exhibitors, new education, and a new co-location make INTERPHEX Puerto Rico the largest and most respected source of innovation, education, and professional advancement for drug and device manufacturing—from process development through delivery to market.

**Networking is as important here as the exploration of new products and services that enhance human life and health. INTERPHEX Puerto Rico is where the Life Sciences industry comes to life!**

MARCH 4-5, 2010  
 PUERTO RICO  
 CONVENTION  
 CENTER  
 SAN JUAN,  
 PUERTO RICO

## What's New!

- 100% new conference content—all technical sessions being presented at INTERPHEX Puerto Rico for the first time
- New General Sessions, Open to All Badgeholders: **Crisis Proof Leadership** and **Blue Ocean Strategy: How to Create New Uncontested Market Space**
- A re-designed 2010 exhibit hall to provide you with even more opportunities to network and mingle: Exhibitor and attendee lounges, product focus areas, food courts and more
- Green and sustainable facilities segment represented throughout the show floor
- Local Solutions Area
- Renowned Opening Night reception

## New Co-Location:

Produced by the Multi Sectorial Alliance, the Latin American Supply Chain Expo will be held alongside INTERPHEX Puerto Rico and will offer a comprehensive showcase of supply chain, logistics and distribution technologies and solutions. Your INTERPHEX badge grants you admission to the exhibits of both events!

## See these top exhibitors!

Year upon year INTERPHEX Puerto Rico brings more than 300 exhibitors to the Island for you to source new and innovative products to help your facility face Global demands.

# Knowledge to Take You to the Next Level!

Our enhanced 2010 program offers biopharmaceutical and medical device manufacturing professionals unsurpassed opportunities to increase their knowledge and gain technical expertise. Participate in sessions focused on the key issues affecting Puerto Rico's life sciences industry, with an emphasis on case studies and global best practices.

## Conference Highlights:

- Expanded 90-minute sessions allow greater coverage of subject matter
- Education for seasoned professionals – all technical sessions geared for intermediate to advanced level audiences
- Automation Training presented by Rockwell Automation – two-day comprehensive hands-on training for technicians and technical personnel

## Sample Conference Sessions:

- Automating the Regulatory Compliance & Quality Assurance Areas
- How to Perform Effective Quality Audits
- Balancing Energy and the Environment
- Benefits, Barriers, and Best Practices in 21st Century for Supplier Evaluation
- The Role of Flexible Manufacturing
- MES Implementation
- Rouging in Biopharmaceutical Manufacturing Systems
- Human Factors and Errors: FDA Compliance, Training and Human Reliability
- Risk Management Updates for the Medical Device Sector
- Applications in PAT Data Management
- Developing a "Close Loop System" for Reporting Failure Investigations and Process Deviations
